## PERSONAL DEVELOPMENT/Better Results Learning Center

### NEW TO MARKET

Better Results Learning Center is the training resource for many companies who cannot mount a consistent training program for employees. The company will prepare and implement customized training programs for any type of training issue within a company. They also offer training programs to help individuals with basic life skills. Over the years they have counseled or advised thousands of companies and individuals. Select special interest. 100% at home address with personal contact name.
