**LEAN MANAGEMENT/ Executives & Managers**

**NEW TO MARKET**

These C-level executives have invested in the adoption of Lean Management principles to reduce waste, provide a customer-driven focus at every level of the organization, and make continuous improvement processes a mindset of each employee of the company. Using consultants, seminars and information products, they have built Lean Teams to inspire growth and profitability. All records in this list contain the personal name and title of the team leaders and corporate advocates. This list includes important contacts in some of the largest companies. All have 1000+ employees.
