CASH IS KING: VENDING, LAUNDROMATS AND OTHER CASH BUSINESSES

NEW TO MARKET

Despite ubiquitous credit and debit cards, these businesses thrive on cash, and lots of it. They scoop it out of their vending machines and laundromats and receive cash for goods and services from local customers. This often-overlooked segment of the small business marketplace is a prime prospect for financial and accounting services, office supplies and security products.

Total Database - 104,689
