## CANADIAN SPECIAL TRADE CONTRACTORS DATABASE

Target Byrum & Fleming's Canadian Special Trade Contractors database for your next trade related campaign. These professionals build meticulous, well designed projects. Whether it's for residential, light commercial or tenant improvement projects these professionals strive to use knowledge and efficiency as tools to create value for their clients. This Canadian Special Trade Contractors database provides an expansive Canadian file selectable by employee size, SIC code, ethnicity, sales volume and title. These professionals would welcome offers pertaining to tools, construction/design materials, skills training, apprentice programs, safety, hazardous materials, certification and licensing relating to compliance. Additional suggestions are credit card and financial offers, online or continuing education, office products, trade shows and more. Sourced from telco/utility updates, DBA filings and news website registrations.
