FACILITIES MANAGEMENT PROFESSIONALS

NEW TO MARKET

These professional facilities managers are building administrators and custodial personnel in large private and public institutions. As key decision makers they plan, organize, control and perform grounds maintenance, building maintenance and repair, janitorial services and plumbing and HVAC system maintenance of their facilities. These are ideal prospects for offers of safety equipment, supplies and clothing, tools, equipment, cleaning and maintenance supplies, environmental and recycling products and supplies as well as OSHA and other governmental compliance publications and seminars.
