## **OCCUPATIONAL HEALTH**

The Occupational Health file is a response list of physicians and medical departments, in industry and health care. Occupational Health refers to the identification and control of the risks arising from physical, chemical, and other workplace hazards in order to establish and maintain a safe and healthy working environment. Set your next direct mail campaign sights on marketing continuing education, office supplies, promotional products, safety equipment, signage and more to the professionals in this comprehensive list. Whether marketing to medical offices, clinics, hospitals or other industries requiring Health & Safety Programs this list is not just the safe way but the smart way to start your next direct mail, telemarketing or email campaign. Direct Response through and purchase of Patient Education Programs & Interactive Graphics. Updated Monthly.
