

## SCHOOL STUDENT AT-RISK PROGRAM PROFESSIONALS

School counselors, teachers and health professionals who manage at-risk education programs to reduce STD's, drugs, alcohol, and the problems that accompany this behavior make up the comprehensive list. These professionals have purchased programs using Educational Films & Participant Guides on student at risk topics. In addition to prevention and intervention of drug & alcohol use, and STDs a large component of awareness about gang-related issues for teens is covered in the programs. The majority of these programs and professionals are in the high-school environment. Whether marketing offers of continuing education seminars, arts & activity supplies, sports equipment, imprinted materials and more to health professionals, teachers or school counselors the School Student At-Risk Program Professionals list is the A+ place to start your direct mail, telemarketing or email campaign.
